FOR THE PROFESSIONAL AND ENTHUSIAST

# SIMONIZ® EXTERIOR CARE WAXES & POLISHES

## Original Fine Car Wax

Item# RT28695, 12x7 ounce case

Simoniz® Original Car Wax is ideal for all car finishes. It contains carnauba wax, the world's hardest wax. Simoniz® wax also beautifies furniture, woodwork and metal surfaces and perfect for chrome too. Apply by hand or with your favorite buffer. Remove with a microfiber towel.

## Ceramic Sealant

Item# R05220#6, 6x32 ounce case

Simoniz® Ceramic Sealant has an advanced SiO2 formulation for long lasting shine and protection that is safe for all surfaces. Its unique formulation delivers a highly hydrophobic and durable surface. Protecting your vehicle has never been easier! With Simoniz® Ceramic Sealant, you can polish your vehicle, give your wax or ceramic coating a boost and be the envy of your neighbors in only a few minutes. **“SHINED, SEALED, DELIVERED”!**

## Banana Express

Item# B1025#01, 6x32 ounce case

This easy-to-use liquid carnauba wax is infused with banana oil. It will leave the finish with that “wet look” and great protection. Simoniz® Banana Express is easily applied and removed without leaving any residue behind on unpainted trim. Use by hand or with an orbital polisher.

## Detailer's Choice

Item# R08720#6, 6x32 ounce case

Simoniz® Detailer's Choice one-step polish is an easy-to-use spray polish and clay lubricant. This product contains no toxic chemicals and is safe for use on all automotive finishes. Leaves a smooth bright non-static finish. Great for final touch-ups on glass, chrome, fiberglass, interior and exterior plastic. Simoniz® Detailer's Choice is a versatile and easily enhances all automotive surfaces in your final detail inspection.

## Correction Creme

Item# S3276#06, 6x32 ounce case

Simoniz® Correction Creme is an easy-to-use light cut compound and polish in one that removes light oxidation and swirl marks. It removes minor acid rain contamination, light scratches and increases gloss on base coat, gel coat and clear coat paint finishes. This is a unique product that can be used as a one-step, quick hazing cleaner wax or as a light compound in a buffing process. Can be used by hand, with an orbital polisher or a variable speed buffer.

# SIMONIZ® CLEANERS

## Auto Foam

Item# A0200004, 4x1 gallon case

A high foaming economical vehicle wash and wax. Simoniz® Auto Foam is formulated for hand washing so whether you are applying with a hand-held foam gun or with a wash mitt, the vehicle will rinse freely without leaving a residue. The wax aspect of this detergent also aids in the drying process of the vehicle by pulling water off of the surface. Washing with Simoniz® Auto Foam even gives your vehicle added shine. Dilution 1:150.

## Wash N' Shine

Item# W4210004, 4x1 gallon case

Simoniz® Wash N' Shine is a high foaming, lemon-scented and biodegradable car wash soap. Formulated for hand washing, this detergent cleans with ease and rinses just as quickly. Simoniz® Wash N' Shine is safe for all automotive and marine paints. A little goes a long way with a dilution of up to 1:200.

## Bug & Tar Off

Item# R04610#6, 6x32 ounce case

Insects etch into the paint and can ruin a paint finish. A simple hand washing of your vehicle rarely removes all of the insects that adhere to the paint. Formulated to penetrate and neutralize the acidity of insects, Simoniz® Bug & Tar Off makes washing your vehicle easier than ever. There is no need for harmful scrubbing and gouging at your vehicle's paint any longer. Simply spray onto a cool surface and allow to dwell on the insects for a short time before washing your vehicle.

## Smart Wash Waterless Wash & Wax

Item# R25400#6, 6x32 ounce case

The quickest and easiest way to clean, shine and protect your vehicle without water! Simoniz® Smart Wash Waterless Wash & Wax has a unique Eco-friendly and Bio-degradable formula that effectively cleans road tar, tree sap, bird waste, grease, oil and fingerprints. If you have water access or usage issues, this is the perfect product for you.

# SIMONIZ® WHEEL & TIRE

## Total Wheel

Item# R41490#6, 6x32 ounce case

Simoniz® Total Wheel is specially formulated to remove tough, built-up brake dust and grime from wheels, hub caps and tires. The unique formula clings to dirt and grime, breaking it free of the surface and leaving the wheel clean with an extreme shine. Simoniz® Total Wheel is safe for all painted and PVD wheels.

## Nitro Shine - Aerosol

Item# S31, 6x12.5 ounce case

An extremely durable tire dressing that lasts up to 30 days in any weather. Simoniz® Nitro Shine won't brown, sling, run or discolor white lettering. It's extremely "tireless", dissolves and lifts dirt, soil, grease, grime, road film and brake dust, yet gentle and safe.

## Flash Back

Item# R33250#6, 6x32 ounce case

Dress up your ride by making the tires and plastic trim shine! Simoniz® Flash Back is a uniquely formulated water-based dressing that is safe for all rubber and unpainted plastics. There is no need to dry the surface first as the product can be applied to a wet surface without effecting the results. This product can be safely applied to plastic components in the engine compartment as well as rubber gaskets without worry. Simoniz® Flash Back is even formulated for easy clean up from driveways and garage floors without the long term staining that comes with many tire dressings on the market.

# SIMONIZ®

## GLASS & TRIM

### VisionClear® Glass Cleaner Aerosol

Item# S3321012, 12x20 ounce case

For cleaning and polishing glass, mirrors and other non-porous surfaces, Simoniz® Vision Clear® won't drip or run and quickly cuts through oily film, dirt, grime and fingerprints, leaving behind a sparkling, clean, streak-free and shiny surface. This product is ammonia free and tint safe. Also, great for home use on windows, countertops, appliances and more.

### Trimtastic®

Item# T4100#06, 6x32 ounce case

Simoniz® Trimtastic® is a semi-permanent coating used to restore faded rough bumpers, racks, trim, moldings, tonneau covers & mirror covers. This product will bring back the natural shine to unpainted, porous, plastic surfaces on vehicles. Simoniz® Trimtastic® is wash resistant and will provide months of protection over any other type of dressing.

### Chrome Polish

Item# S3275#06, 6x32 ounce case

Simoniz® Chrome Polish protects your chrome with advanced polymers, resisting smudges and fingerprints. Use our chrome polish on your wheels, bumpers, mirrors, headlight bezels and chrome accessories. It's safe to use on black chrome and works great on glass. If you want your chrome to gleam with the brightest, this is it!

# SIMONIZ® INTERIOR CARE

## Leather Cleaner & Conditioner

Item# S3289#06, 6x32 ounce case

Simoniz® Leather Cleaner & Conditioner is a one-step product that cleans, protects and restores delicate leather to a soft, supple “like new” look and feel. This product has a pleasant leather scent. To clean, apply to a terry cloth applicator pad, then buff with a soft clean terry towel. Leaves a non-greasy natural leather look. It is safe on all colors and types of (non-suede) automotive leather.

## Interior Cleaner

Item# R39000#6, 6x32 ounce case

Simoniz® Interior Cleaner safely cleans most interior surfaces and materials from headliners to carpet, floor mats, dashboards, cup holders and door panels. It is formulated to safely and effectively clean without leaving residue. Simoniz® Interior Cleaner has a mild pleasant fragrance, so you won't be overpowered by strong chemical smells. It is also formulated to dry quickly to eliminate mildew and water staining on upholstered surfaces. Simoniz® Interior Cleaner leaves behind no residue to attract more dirt.

## Carpet & Upholstery Cleaner - Aerosol

Item# S3321012, 12x20 ounce case

Simoniz® Carpet & Upholstery Cleaner effectively cleans and restores carpets and floor mats to a “like new” condition in one easy step. Use on upholstered seats, carpets, rugs, etc. Special formulation leaves fabric clean and dry.

## Instant Spray Aerosol

Item# S3327012, 12x20 ounce case

A great final detail product! Simoniz® Instant Spray easily removes oxidation, wax residue and surface film from vinyl, plastics, bumpers, trim, tires and rubber, bringing back that “like new shine” and protecting against further damage caused by UV exposure, ozone and other air contaminants. Use to dress all hard to reach areas such as vents, cup holders and window switches on the interior. Just spray on and let dry.

## Spot Remover Aerosol

Item# S3364012, 12x20 ounce case

Simoniz® Spot Remover cleans, penetrates and deodorizes without leaving residue. Effective for removing dirt, ink, grease, oil, mud, ketchup, urine, vomit, coffee, etc., on upholstery and oil-based carpet stains. Just spray let sit and lightly blot with a damp cloth.

# SIMONIZ®

## Citrus Clean - Aerosol

Item# S3376012, 12x20 ounce case

Simoniz® Citrus Clean is an all-purpose, ready-to-use foaming cleaner, deodorizer and degreaser that is great for use on automotive interiors for removing road oils from carpets, suntan lotion, denim dye transfer and body oils on the arm rests, steering wheels, shifters, knobs, equipment, floors and more. Use on the exterior to clean side walls, wheel wells, rims, door jams and gas doors.

## All-Purpose Cleaner Degreaser

Item# R39750#6, 6x32 ounce case

Simoniz® All-Purpose Cleaner Degreaser is an incredibly effective and necessary product for all detailing projects. This product is a multi-surface work horse that can be used to remove body oils, food oil and road oils from plastics, fabric, paint, engines, carpets, wheel and garage floors as well as many other surfaces. Simoniz® All-Purpose Cleaner Degreaser is a water-soluble formula that allows for ample working time without fear of flashing or fading. Simply spray, agitate and wipe.

## Anti-Microbial All-Purpose Disinfectant Cleaner

Item# N2635012, 6x32 ounce case

Simoniz® Anti-Microbial All-Purpose Disinfectant Cleaner is a unique automotive cleaner. This product is not only a great degreaser, but will disinfect all hard surfaces within the vehicle. As if that wasn't incredible enough, this product inhibits the growth of mild and mildew for up to 7 days when allowed to remain on the applied surfaces. This product should be used to clean and disinfect hard non-porous surfaces within a vehicle. These surfaces would include vinyl, plastic, metal and rubber.

## Interior Car Surface Sanitizer, Disinfectant & Deodorizer

Item# S202600Q, 6x32 ounce case

Simoniz® Interior Car Surface Sanitizer, Disinfectant & Deodorizer is a ready-to-use one-step cleaner for use on both hard and soft vehicle surfaces. This product inhibits the growth of mold and mildew and is effective in destroying bacteria, virus, staph and more. It safely cleans soft surfaces such as upholstery, fabric seat cushions, carpet and hard, nonporous surfaces such as dashboards, steering wheels, windows, doors, painted surfaces, cup holders, and mirrors and also on other hard surfaces including metal, vinyl and plastic. Simoniz® Interior Car Surface Sanitizer, Disinfectant & Deodorizer will keep your family in a safe and healthy vehicle.
